Into the Future IV – The Bishop's vision for the diocese: The Bishop asks us as a parish to consider:

1. What is the mission of our parish?
2. How is ongoing formation undertaken?
3. Do we promote co-responsibility in out committees?
4. How do we promote good use of time, talent and treasure (stewardship) among the faithful?

We need to think beyond just the needs of parishes and consider the wider mission of the church across the whole of North Wales; we are invited to consider how we ensure we have the resources to sustain the life of our community for the future, and ensure our primary function of evangelization. The complete document is available online on the diocesan (www.rcdwxm.org.uk) and parish websites.

CAFOD's Family Fast Day is coming up on **Friday October 2nd**. This Harvest, we're inviting parishes to help children have the food and safe water they need to learn. Please do donate to our parish collection, and put your faith into action by sharing the Lord's love and supporting our global neighbours experiencing shortages of food and safe water. You can donate online at **cafod.org.uk/envelope,** call **0303 303 3030** or use the QR code. There will be envelopes available in church in the coming weeks.
